## Gift Suggestions

Calendars with pretty pictures, with or without space for noting appointments, are favorite Christmas gifts. As a service to readers *Clavier* lists those we know of that have music themes.

The Barenreiter calendar is a collection of art reproductions, some in color, showing two weeks along the bottom or side of each page. The calendar, 9 3/4" high by 11" wide, with a loop for hanging, is available from Magnamusic-Baton, Inc., 10370 Page Industrial Blvd., St. Louis, Mo.

for \$6.95, postage paid.

The 7" by 10" calendar printed by C.F. Peters is suitable for hanging or standing. Works of art are reproduced in black and white with two weeks of the month shown at the bottom of the page. The calendar is \$4.50 including postage (plus tax for Calif. and N.Y. residents), from C.F. Peters Corp., 373 Park Avenue South, New York, N.Y. 10016.

Thirteen European organs or the details of them, are pictured in color on a 10" by 14 1/2" wall calendar with the month at the bottom of

each page. It is available from Concerts Spirituels, B.P. 16F88100 SaintDie, France for \$10.50, air postage paid.

Intermezzo is the name of a wall calendar available from Universe Books, 381 Park Avenue South, New York, N.Y. 10016. There is space to write daily notes on the 14 1/2" wide by 21" high pages. Photographs and paintings are reproduced in black and white. Important musical dates are noted as well as quotations about music and musicians. Available, including postage, for \$4.70.
